

Coffee With the Principal at DPE and Arcadia Returns!

Though the dates and times are tentative with more definite information to come out in January, "Coffee with the Principal" is set to return at both DPE and Arcadia. At these quarterly, informal meetings, parents and families will have the chance to speak with the principal, hear updates on what is going on in the school, review and give feedback on Title 1 plans, and really just have one more chance to be able to interact in a more relaxed setting with the school's principal over a cup of coffee. Although still not set in stone, the following dates and times are when the coffee hours will be:

-Deer Park Elementary: Wednesday, January 26th, time TBD

-Arcadia Elementary: Friday, January 28th, 8 AM

Again, these times are tentative with more information to come out from each school in January. Stay tuned!

School Title 1 Plan and Policy 4130 Review

Speaking of "Coffee with the Principal," at these meetings in January, we will be reviewing each school's Title 1 "Parent and Family Engagement Plan" and "School Wide Plan," as well as District Policy 4130. We would love your help with this.

These are required documents that lay out how each school is planning on engaging parents and implementing their Title 1 program for the year. The school-wide plan is a fluid document that can be altered and be responsive to changing needs at a school throughout the school year. (For example, in spring of 2020 when CoVid provided some new challenges for our school and community to respond to.) Policy 4130 is the parent and family engagement plan for the district.

These plans are updated and posted to our Title 1 page on the DPSD website throughout the school year.
