

iReady Winter Testing Window Complete

Three times a year, DPE and Arcadia use the program iReady as one measure of monitoring student achievement in math and ELA. It also helps us sort our intervention groups. Our winter testing is complete, and grade level teams have been analyzing the results to better assist our students.

Parent & Family Engagement Update

CoVid-19 and social distancing guidelines created quite a challenge with hosting parent and family nights at each Deer Park Elementary and Arcadia Elementary. However, with spring on the horizon, warmer weather, and the hope the restrictions and guidelines are rolled back soon, both schools will be coming up with ideas and a plan to create meaningful learning opportunities to share between parents and students. Expect to hear more in early spring at both schools. If you have feedback or ideas regarding engaging parent and family activities that would aid in the learning of our students, please reach out to your building principal or to the Title 1 Director.

Parent Feedback on Title 1 Plans at Arcadia

Arcadia is planning "Coffee with the Principal" on February 25th as a more personal way to find out more about what's happening at the school. At this meeting, Mrs. Burke will be sharing information and looking for feedback on our Parent and Family Engagement Plan, the School Wide Title 1 Plan, and school board Policy 4130. Sharing these plans and getting feedback on each is required by Title 1 federal funding rules.

If you are not planning on coming to the coffee hour, but would like to look through these plans and offer feedback, the plans are on our Title 1 webpage on the Deer Park School District website.

Deer Park Elementary is still planning how best to share and gather feedback on their plans, but current copies are also on the website.

The exact website page is: www.dpsd.org/title-1/. You can send feedback on any of the plans or policy to the Steve Hitchcock; contact information is below.

Title 1 Questions or Thoughts?

Call: (509) 464-5708 or email: steve.hitchcock@dpsdmail.org Steve Hitchcock is the Title 1 Director at Deer Park School District and also the assistant principal at Arcadia Elementary
