Meet your Deer Park

Future Chefs!

Shelby Dyer, Maya Tucker, Brooke Sommers and Jacob Fausti.

All are 4th grade students at Arcadia Elementary.

These students, and 4 other 4th graders from Riverside, participated in the first annual Future Chefs Competition. They submitted a Healthy Breakfast Recipe and their recipe was chosen among many other recipes to participate in this competition. The students prepared their recipes, baked them off, then had a special lesson from our special guest, Chef Dave, (Sodexo Regional Chef) on how to plate the recipe for the competition.

Maya Tucker was the 2nd place winner overall, Shelby, Jacob and Brooke were all runners up.

Congratulations to all, great job!
